

AUGUST NEWS

Week of August 17-21

A NOTE FROM THE TEACHER

Welcome to Kindergarten! I enjoyed being able to meet my amazing students this week! Over the next couple weeks we will be focusing a lot on getting to know each other. We will also be participating in positivity project and reading some books together.

OUR LEARNING FOCUS

This week, we worked on getting to know each other. Students were able to log on with help and participated in our Google Meets. We will continue to use our meeting time to become familiar with students in our class. Please allow students to mute/unmute their mics as directed by their teacher.

Here are some helpful tips as your child joins the Google Classrooms for the Specialists. Follow this link to join those Google Classrooms. [Google Classroom Codes for Specialists](#)
